HOTELS & RESTAURANTS & MORE

SINCE 1898

# FACTS & FIGURES

## HISTORY

The story began in 1898 with the «Europe» and shortly thereafter with the «Brünig et l'Univers». In May 2001, Bernensis Hotel AG, under the direction of Stephan JJ. Maeder, acquired the hotels. Since 2016, the Carlton-Europe has stood in its current form. The décor and furnishings keep the past alive, offering guests the charm of a vintage hotel - a stay akin to a journey through time in a living museum.
